UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA  
OAKLAND DIVISION

DANIEL BERMAN,

Plaintiff,

V.

FREEDOM FINANCIAL NETWORK, LLC,  
FREEDOM DEBT RELIEF, LLC, FLUENT,  
INC., and LEAD SCIENCE, LLC,

## Defendants.

Case No. 4:18-cv-01060-YGR

**DECLARATION OF JON B. FOUGNER  
IN SUPPORT OF MOTION FOR CLASS  
CERTIFICATION**

**Date:** April 9, 2019

**Time:** 2:00 p.m.

**Location:** 1301 Clay St., Oakland, CA 94612

**Department:** Courtroom 1 - 4th Floor

1 I, Jon B. Fougner, declare under penalty of perjury:

2 1. I am over 18 years of age.

3 2. I am an attorney duly licensed to practice law in the State of California.

4 3. I am co-counsel of record to the plaintiff in this case. I was involved in every  
5 stage of representing Plaintiff in this case, including investigating his claims; propounding,  
6 reviewing, responding to, meeting and conferring about, and moving to compel discovery;  
7 working with three expert witnesses; preparing for depositions; drafting briefs; and making  
8 several appearances before the Court.

9 4. Except where otherwise stated or evident from context, the following facts are of  
10 my personal knowledge. If called as a witness I could and would testify competently as to their  
11 truth.

12 5. I submit this declaration in support of the Motion for Class Certification.

13 6. Defined terms herein take their definitions from the brief to which this declaration  
14 is attached.

15 **Consumers' Do-Not-Call Replies to Drips's Text Messages**

16 7. On January 7, 2019, Drips produced a spreadsheet at Bates stamp  
17 LEADSCIENCE\_5228. From meet-and-confer with Defendants' counsel, it is my understanding  
18 that this spreadsheet reflects do-not-call requests received by Drips via text message from people  
19 to whom it had sent telemarketing text messages on behalf of Freedom, for Drips's client Fluent.  
20 LEADSCIENCE\_5228 has 226,435 rows: 1 row of headers and 226,434 DNC requests.<sup>1</sup>

21 8. In row 119,265 of LEADSCIENCE\_5228 appears the following message: "This  
22 number is registered to the Raleigh Police Department this is your first and last time sending a  
23 text to this number thank you Raleigh Police."

24 9. I wrote a rudimentary formula analyzing the phone numbers in  
25 LEADSCIENCE\_5228, =SUM(--(FREQUENCY(B2:B226435,B2:B226435)>0)), which

26 <sup>1</sup> Upon request, Plaintiff will provide to the Court any of the discovery materials referenced in  
27 this declaration or the brief to which it is attached, or any other discovery materials requested by  
28 the Court.

1 computed to 195,228. That told me that the 226,434 DNC requests came from 195,228 different  
2 phone numbers.

3 10. Starting from LEADSCIENCE\_5228 and with a paralegal working under my  
4 direction, I built **Exhibit A** by (1) adding a column reflecting the original row number from  
5 LEADSCIENCE\_5228; (2) deleting the phone number column; (3) deleting most rows; and (4)  
6 reformatting for readability.

7 **Other Exhibits**

8 11. Attached as **Exhibit B** is a composite exhibit consisting of true and correct copies  
9 of documents produced in this litigation, ordered according to their Bates stamps:

12 FLUENT\_1186

13 FLUENT\_2639

15 FLUENT\_3738-740

16 FLUENT\_3981

17 FLUENT\_4014-16

18 FLUENT 4041

19 FREE-746

20 FREEDOM\_797

21 FREEDOM\_991

22 FREEDOM\_992

23 FREEDOM\_1064

24 12. Attached as **Exhibit C** is a true and correct copy, reformatted for readability, of a  
25 document produced in this litigation under Bates stamp LEADSCIENCE\_676.

26 13. Attached as **Exhibit D** is a true and correct copy of the transcript of the deposition  
27 of Tom Martindale.

14. Attached as **Exhibit E** is a true and correct copy of the Expert Report of Randall A. Snyder.

15. Attached as **Exhibit F** is a true and correct copy of the Supplemental Expert Report of Anya Verkhovskaya.<sup>2</sup>

16. Attached as **Exhibit G** is a true and correct copy of the Supplemental Expert Report of Benjamin H. Beecher.

## This Litigation

17. During this litigation, Defendants' counsel informed Plaintiff's counsel that Defendants' counsel were issuing subpoenas to Google, Comcast, Advantage One Partners and Berger & Montague. Plaintiff did not move to quash any of the subpoenas. Defendants asked Plaintiff to stipulate to the subpoena to Comcast, which Plaintiff did.

18. During this litigation, Defendants did not produce an affirmative expert report focused on the question of whether the dialer they used in this case is an ATDS or a rebuttal expert report challenging the opinion of Plaintiff's expert, Randall Snyder, that Drips used an ATDS in the campaign at issue in this case.

19. On November 8, 2018, I emailed Defendants' counsel a letter. It stated:

At the October 3, 2018 hearing, the parties entered into the followed judicially supervised and endorsed stipulation “Regarding RFP Nos. 4 and 7”: “By October 19th, Fluent will produce both its call log and its consent information relative to telemarketing starting four years before the original complaint, and continuing to the present, conducted by Fluent or its agents, including Lead Science, on Freedom’s behalf in a file format accessible in Access or mutually acceptable to the parties.” As we summarized during the October 25, 2018, call, that must include:

- as we have stated many times over the last 4 months, all parts of all websites through which the purported consents were collected (FLUENT\_444 makes clear that there's much more going on with the landing pages than the scant production we have received to date);

<sup>2</sup> For manageability, the native-format exhibits to Ms. Verkhovskaya's Supplemental Expert Report are not attached. Plaintiff will be glad to provide these to the Court upon request.

1                   • all access logs and error logs during the period you claim visits  
2                   to that website constituted consent or permission to contact any  
3                   putative class member.

4                   Adequacy

23                  of \$7.5 million TCPA class action settlement, \$149 per class member).

24                  31. I have served as proposed class co-counsel in several putative consumer and
